Miles for Migraine Event San Diego
Saturday November 6th

Join us for the 3rd Annual Miles for Migraine San Diego Event. Due to COVID, this event has been changed to virtual so we won't be running along beautiful Mission Bay as we did in 2019. However, our practice has still formed a Team and we plan to join together on Saturday, November 6th, for a walk at Crystal Cove followed by breakfast at the Beachcomber.

Our team is called OC Migraine. Feel to join our team and participate with us in person or virtually by doing an activity on your own that day. All funds raised will be used to raise awareness of migraine and to advance migraine research. To learn more about Miles for Migraine, visit www.milesformigraine.org

Donations are welcome and any size donation is appreciated. The link to donate is <https://sd.milesformigraine.org/pledge/team/335299>

In coming weeks, we will be asking for donations in lieu of fees normally charged to complete forms and write letters.

For any questions, feel free to email us at info@ocmigraine.org

Thank you!
