Miles for Migraine Event
San Diego
November 5th, 2022

The 4th Annual *Miles for Migraine* Event for San Diego will be at Liberty Station Park in San Diego. Our office has formed a team called OC Migraine. Please consider joining and/or supporting our team. All proceeds go to increasing migraine awareness and funding migraine research.

Dr. Susan Hutchinson is the Team Captain. We are currently at the top of the leader board for number of team numbers and amount of money raised. We truly support any level of support you can offer including joining our team & participating in this fun event, joining our team to raise money to support this worthy cause, or donating.

For those interested in participating & learning more about this event, use the following link:

<https://raceroster.com/events/2022/58354/miles-for-migraine-san-diego-2022/teams>

Our practice will provide and pay for a post-event brunch for all participating with our team. Options for this event include walking a 2K, running a 5K, or simply enjoying some activities at the venue while cheering on those of us running or walking. Booths featuring treatments for migraine will provide educational value to this event.

For those interested in donating to our team or to one of us as an individual, here is the link:
